Biography:

After receiving his B.S. in Civil Engineering from North Carolina State University in 1996, Mr. Reese joined the NCDOT Traffic Engineering Branch where he has worked for ten years in the Congestion Management, Signing, Traffic Control and Pavement Marking, Signals and Geometrics, and Construction Units. Mr. Reese has spent the last three years serving as an Access Review Engineer performing and validating comprehensive reviews of Traffic Impact Assessments for developments statewide.

Mr. Reese has been active in the North Carolina Section of the Institute of Transportation Engineers (ITE) and the Southern District of ITE having served as chair and webmaster of the Southern District ITE Web Site Committee for most of the last 10 years. Mr. Reese is also a member of the TRB (Transportation Research Board) Committee on Traffic Control Devices, and he is a registered Professional Engineer in North Carolina.

Outside of work, Mr. Reese has served as Transportation Director of the Special Olympics North Carolina Summer Games for the past eight years and he is an ordained elder in the Presbyterian Church. Mr. Reese is also active in the Boy Scouts of America serving as a Den Leader. He is a native of Raleigh, NC, where he lives with his wife and two sons.
